DECLARATION OF PATENT PURITY OF DISINFECTANT GUAA AND RELATED COMPONENTS

Concerning the patent purity of disinfectant GUAA and its components we declare the following:

Polyhexamethylenguanidinhydrochloride (hereinafter "PHMG"): Conditions for use of PHMG in terms of production of GUAA and its further modifications including distribution are set by an agreement with the supplier of PHMG. Therefore no patent infringement has occurred.

Export of PHMG and its modifications to Mexico is permitted by supplier's written consent dated 20 May 2009.

N-alkyl (C12-C16)(benzyl)dimethylamoniumchloride: Since GUAPEX, a. s. procures this chemical agent as a resource available on the international market, no breach of laws or regulations has occurred by purchasing this agent. This can be proved by purchase documentation (contracts, invoices).
